SENIORS

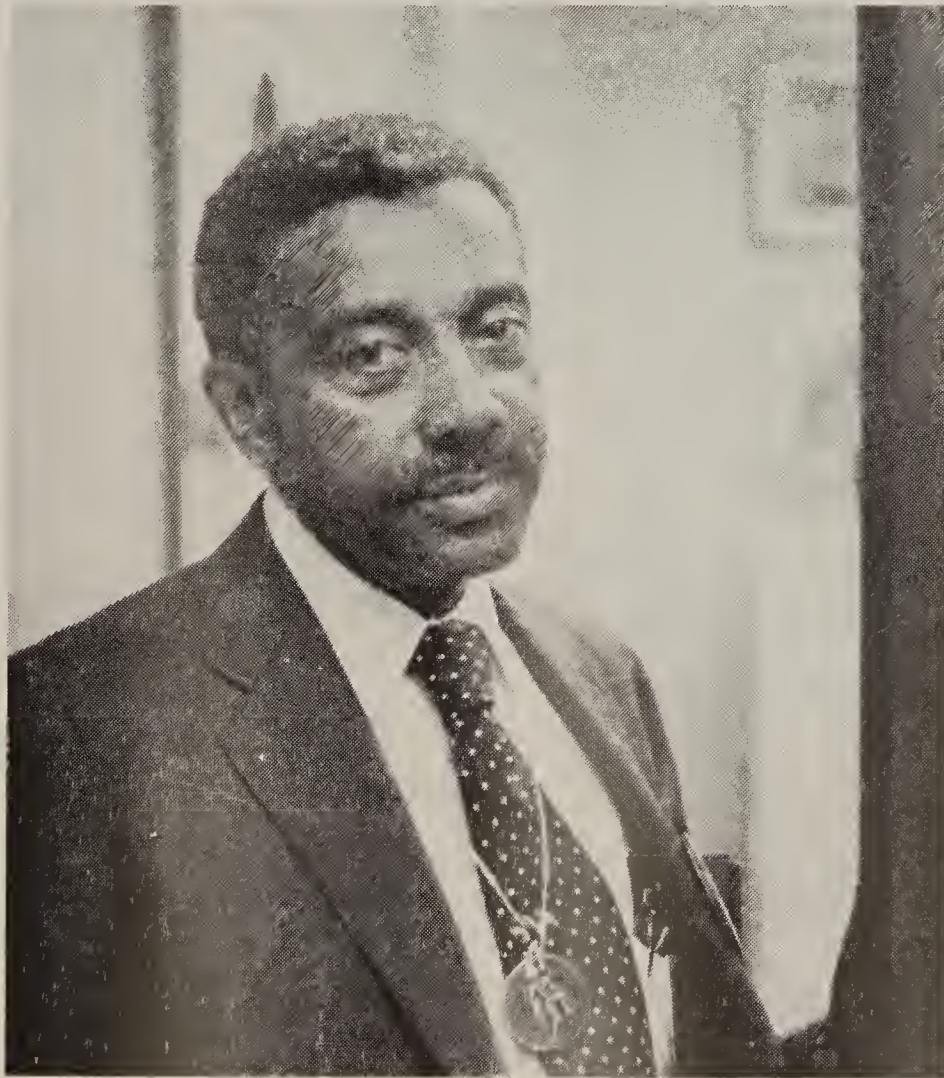

THE WEAVER HIGH CLASS OF 1982

In Memory of

George P. Thomas

Mr. Thomas was administrator for the Class of 1982. He will always be remembered for his dedication and commitment to the Weaver Community and the students. His leadership, guidance, and encouragement has been, and will always be, a positive influence in our growth as human beings. Although his presence will be greatly missed, his memory lives on in us as we also strive to achieve excellence.

We also wish to remember the following people who worked at Weaver and passed away during our senior year:

Lillian Jarvis, Gloria Garilli, H. Allen Peterson, Rosalind Cook.

THE CLASS OF 82"

It was 8:00 A.M. Wednesday October 9, 1981.

We "THE SUPER SENIORS" had assembled to take that serious group shot! Patiently we awaited for the Photographer ... "1, 2, 3, ... Cheese," 1, 2, 3, ... Cheese." As we began to return to classes there came a crash of thunder. Suddenly out of the clear blue sky came A ... A ... Plane "No not a Plane," A Bird "No it was too Muscular for a Bird" "Oh!.My Goodness! Its., *Its Sup, Sup, Super Beaver*".

SUPER BEAVER

"Well, I guess you're wondering who I am. I'm "SuperBeaver" not Superman". I'm strong and mighty as you can tell; and through the day I'm Howard Corcell. I come through the door, I find that there's no place

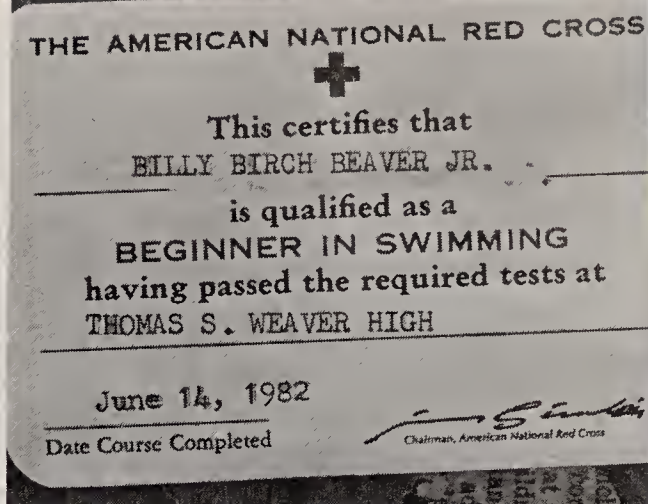

to change so I use the "School Store". I break through the door and who do I see, Someone who looks quite familiar to me. This strange thing lets out a howl. So I know for sure its the evil Owl. The

Owl says "Super-Beaver"; I understand you're the greatest hero throughout the land. But there's something you must know; I'm here to tell you you've got to go. "Super Beaver" says, this can't be, cause I'm "SuperBeaver" the cool, cool, M.C.

School was over so I dropped the sound that me and the Owl were going to throw down. We quarrelled and wrestled for half of the day. Then the Owl had nothing more to say. So I have won without a doubt.

Now to the world I can shout. I won our dignity and our pride, now WEAVER HIGH has nothing to hide. I fought the fight with all my might to make things right. For the "SUPERSENIORS" delight.

On September 1, 1981 a violent explosion destroyed the Acornian dam and caused flooding on the planet *Treea-te'um*. His anxious parents placed "Baby Beaver" in a giant acorn and sent him earthward. The arcorn landed in front of Weaver High School and was discovered by Billy Birch Beaver and Bertha B. Beaver who had wandered up from their home behind the football field. They flapped their tails in the happiness of acquaintance and immediately adopted the baby to raise as their own kit.

Billy B. Beaver Jr. (formerly "Baby Beaver") didn't have the natural instincts like most other beavers. He had to receive swimming instruction. Since he had lost his front teeth in a landing accident, he had to resort to a saw to get food. With much patience and practice Billy mastered these skills and more (*like flying*) and became the best lumberjack north of the river.

SUPER- REPRESENTATIVES

DEDICATION

THE CHILDREN OF ATLANTA

With deep regret we remember the CHILDREN OF ATLANTA. We share the feeling of irreplaceable loss at their young lives stopped short by meaningless violence. We therefore DEDICATE OUR BOOK IN THEIR MEMORY.

MRS. BARBARA WIGGINS

In Appreciation of your service, time, and talent, we the SUPER SENIORS CLASS OF 1982 dedicate this *PORTAL* to express our sincere gratitude for your tireless CONTRIBUTIONS.
MANY THANKS

BILINGUAL

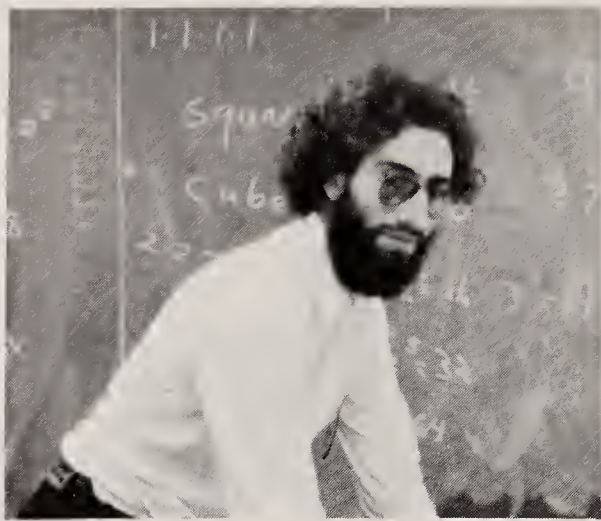

Middle left-Ms. Rojas, Head Teacher Center-Mrs. Cotto, Right-Ms. Perichi, Left-Ms. Delgado.

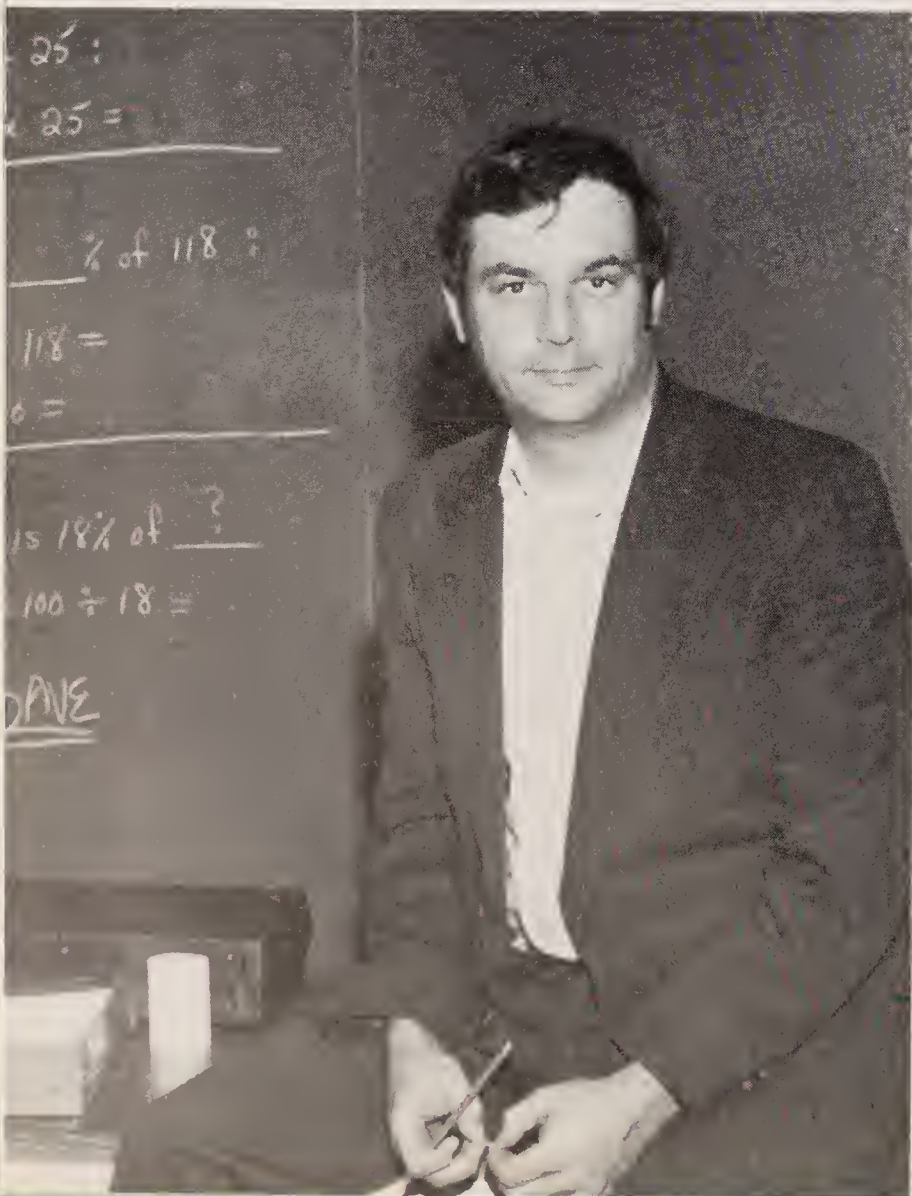

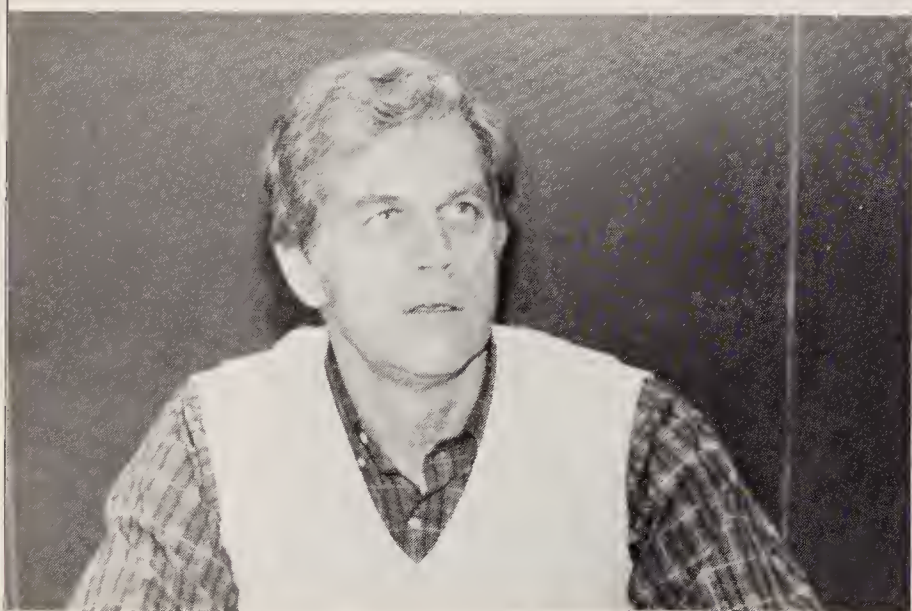

The entire body was introduced to both the history of Puerto Rico and the Bi-Lingual Department on Puerto Rican Discovery Day.

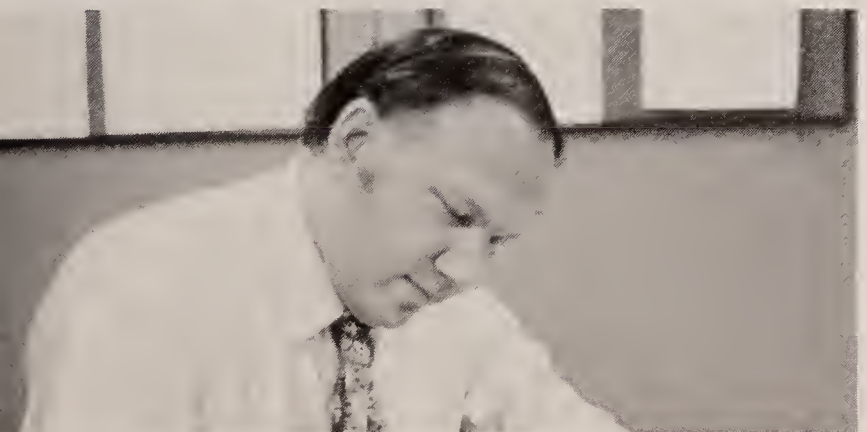

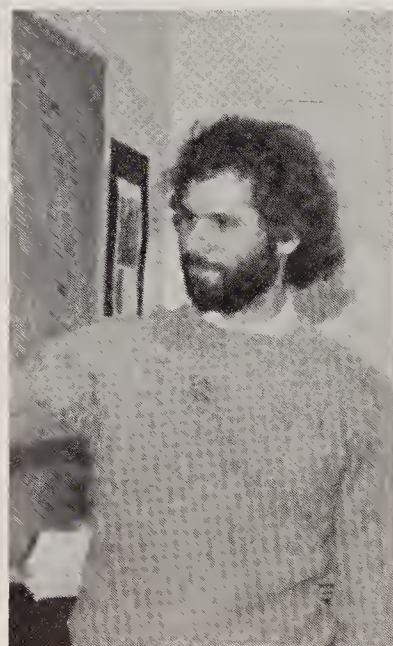

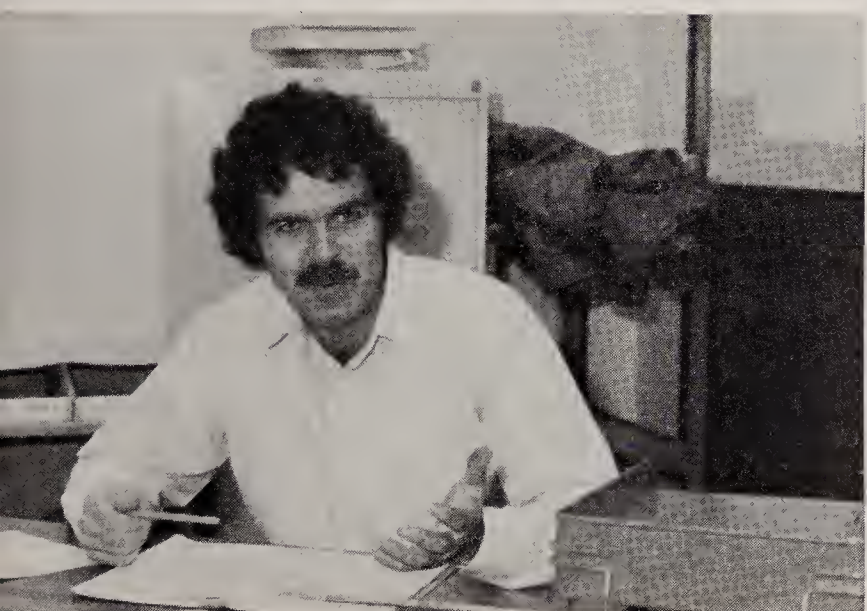

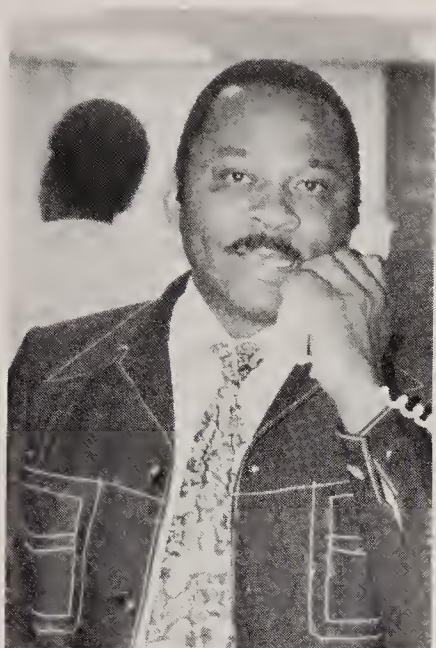

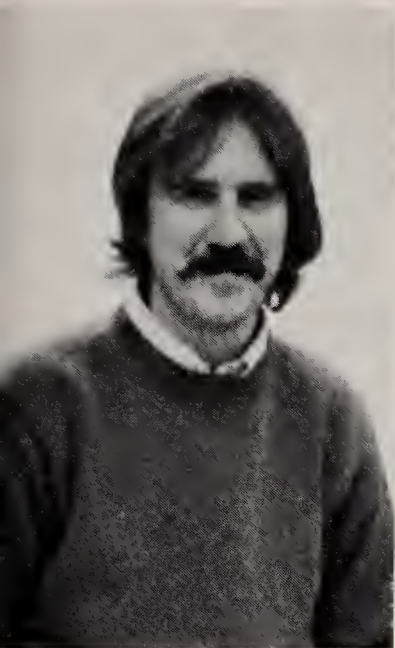

Following an entertaining and informative assembly in the auditorium the students were invited to visit the display of Spanish Culture in one of the Bi-Lingual classrooms. Lunch was highlighted by ethnic food prepared by the parents of the Bi-Lingual students.

This day was but one of the efforts of the Bi-Lingual program to bring their students into the mainstream of Weaver.

TAKE A RIGHT ANGLE TOWARDS LIFE

The Math Department of Weaver High School is trying more and more to meet the Basic needs of each student for mathematics. We have the largest Department in the school with very dedicated teachers. Most of these dedicated teachers participate in extra curricular activities of the school such as Human Relations, Basketball, Tennis, Hiking Club, Student Council, Fund raising for the yearbook, class sponsors, Faculty managers and others.

The math department has the largest Computer facilities in the city of Hartford for public education.

The math department theme for the year is "Education is like Gasoline the more you have the futher you go. Mathematics is like high test Gasoline."

The Youth and Government Program was introduced to provide students with a realistic opportunity to participate in a model state legislative program held at the State Capital by studying public issue, debating policies, writing legislation, and experiencing the process of government. In a similar program, students who had researched key issues confronting the United Nations and had visited the appropriate missions in New York participated in a model United Nations during the spring at the University of Hartford. Other projects undertaken during the year included student entry into the History Day and mock trial competitions. Developing an informed, responsible, and participating citizenry was a theme permeating all activities.

HOME ECONOMICS

The Home Economics Department is dedicated to helping STUDENTS ACQUIRE CAREER SKILLS AND LIFE SKILLS. Toward this end. A student can follow a sequence of courses in either child Development or Foods leading to job Opportunities in these fields. In Ch. Dev., Students help in the infant day care center and a nursery school. In foods, students plan & prepare meals in a well equipped industrial kitchen and serve them in an adjacent restaurant. Additionally, courses in life skills are offered in clothing construction, Independent living, and consumer affairs.

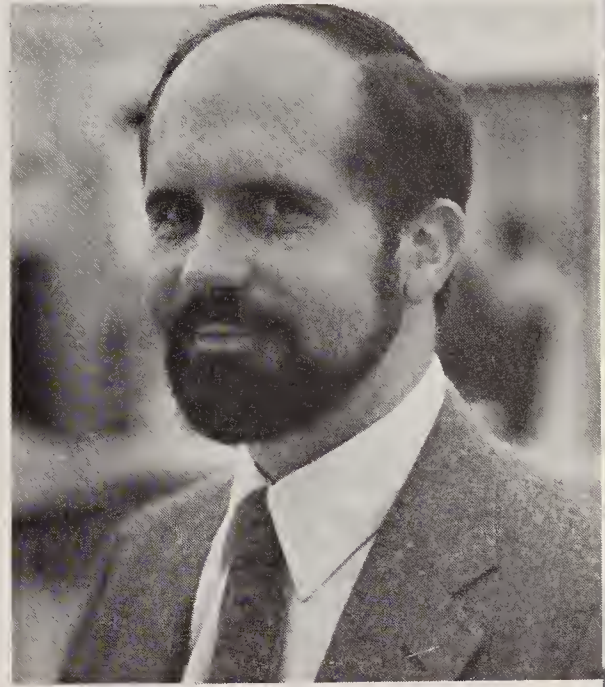

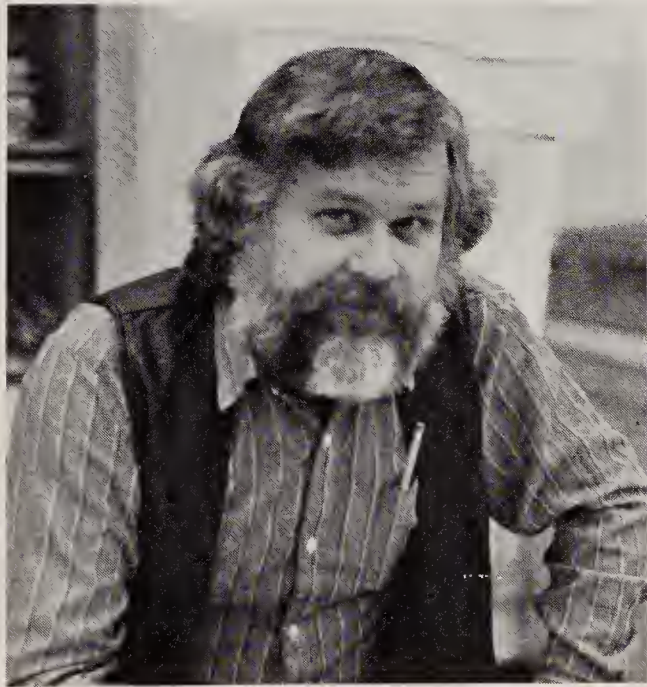

The Music Department fielded an improved Marching Band and had to turn students away from piano and choir classes because there wasn't enough room. A Talented and Gifted class was added. The Christmas and Spring Concerts gave the talented Weaver Students a chance to demonstrate their accomplishments.

The Art Department began the year with a visit from well-known artist, Benny Andrews. The Art Major students impressed their fellow students as they prepared portfolios to be used for college admissions. A Talented and Gifted class was added. Student work was exhibited at the Board of Education and the Hartford Youth Art Renaissance Exhibit.

THE BUSINESS OF AMERICA

*top L to R: Mr. Mooney, Mrs. Trapp, Mrs. McCaskill,
above: Mrs. Pruitt, Mrs. D'Orsi, District Chairperson, Mr. Goldstein*

For the young person looking for unlimited career possibilities, few fields can equal modern business. Business Education enables students to acquire valuable skills while still attending high school. In addition, these same skills can be enhanced at the post-secondary level.

The department is consistently updating the equipment and skills to reflect what is found in the modern office. Students are trained on electric typewriters in the advanced courses and in some beginning classes. Training is available on the Apple II Computer, the Electronic 75 typewriter, and word processing skills and data processing technology are current emphases in selected courses.

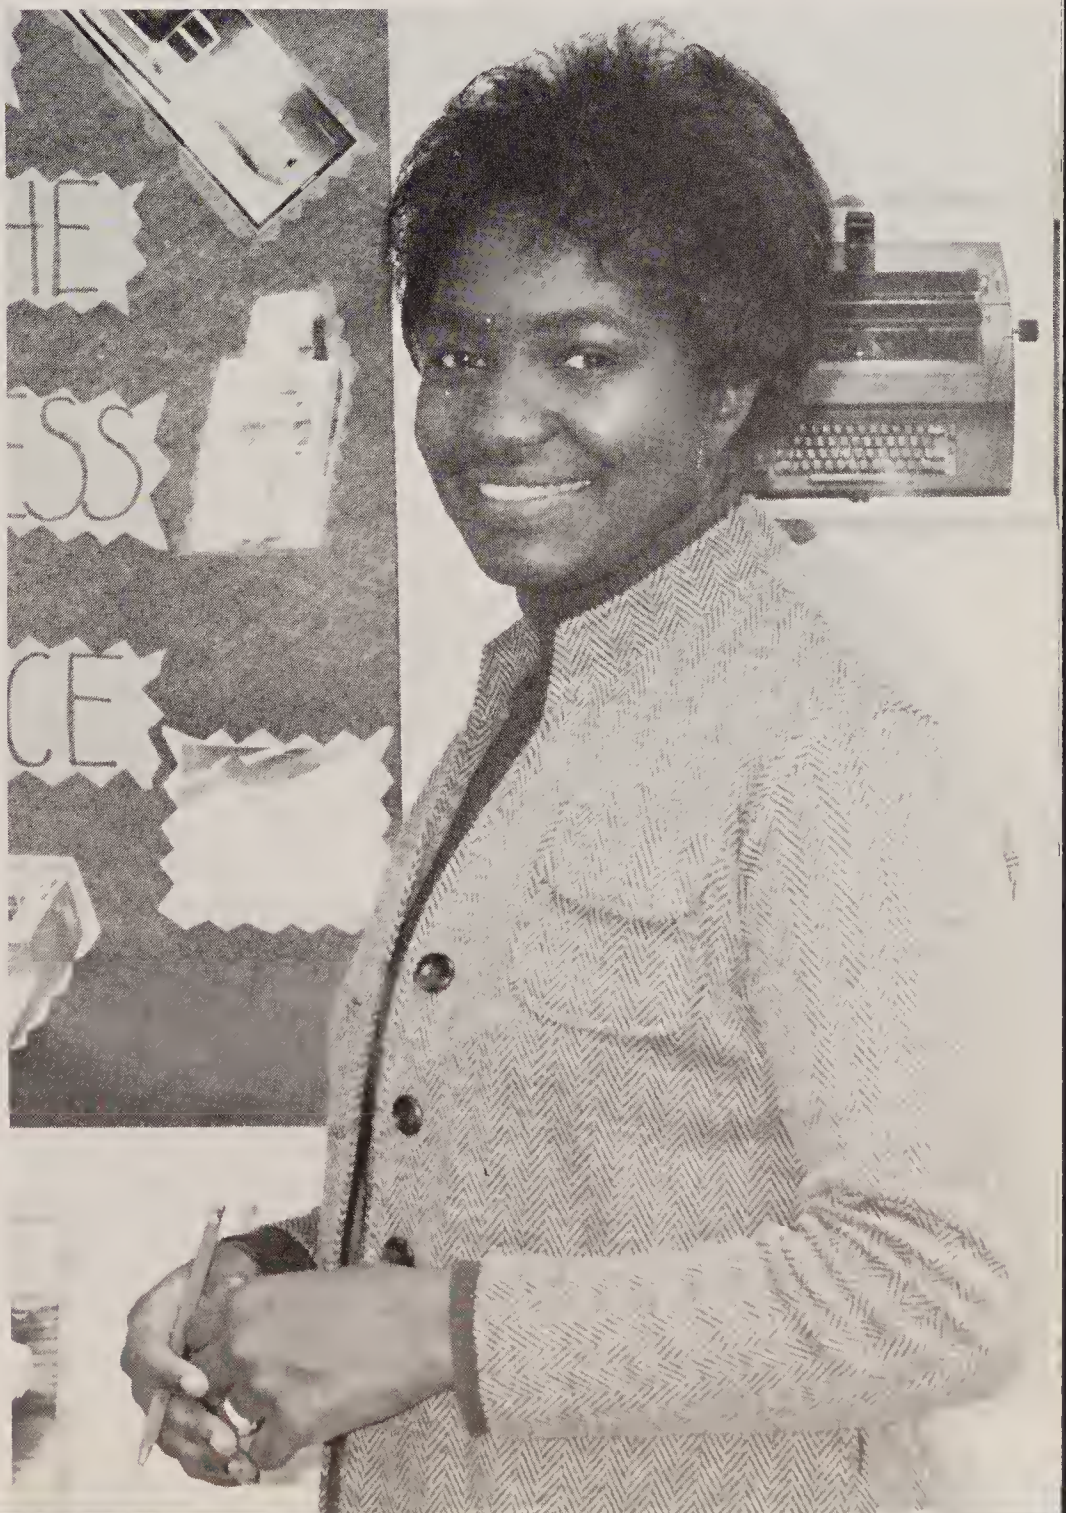

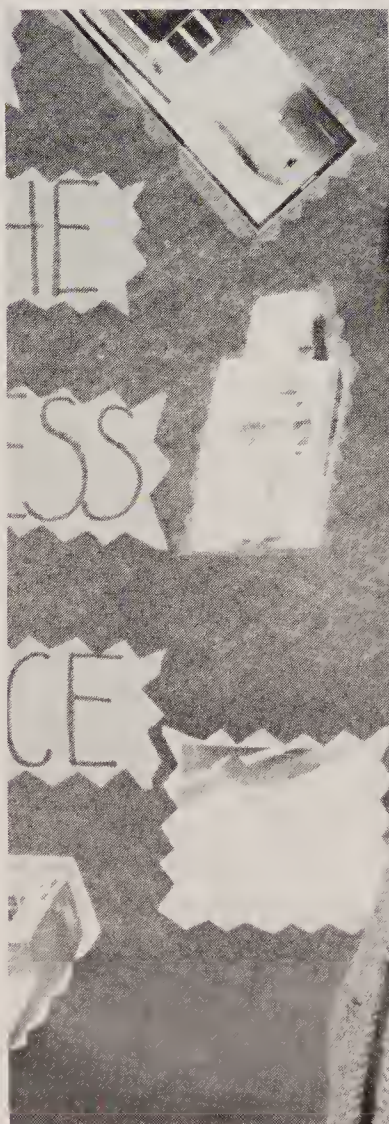

Courses are offered on both a vocational and personal use level. Students can receive intensive training in the accounting, clerical, and stenographic skills or they can take personal information and exploratory courses in business procedures, law, recordkeeping, consumer information, business machines, note taking, data processing & machine transcription.

Within Weaver, there exist two outstanding organizations: DECA (Distributive Education Clubs of America) and FBLA (Future Business Leaders of America) which offer students fine enrichment and social opportunities.

THE MIND

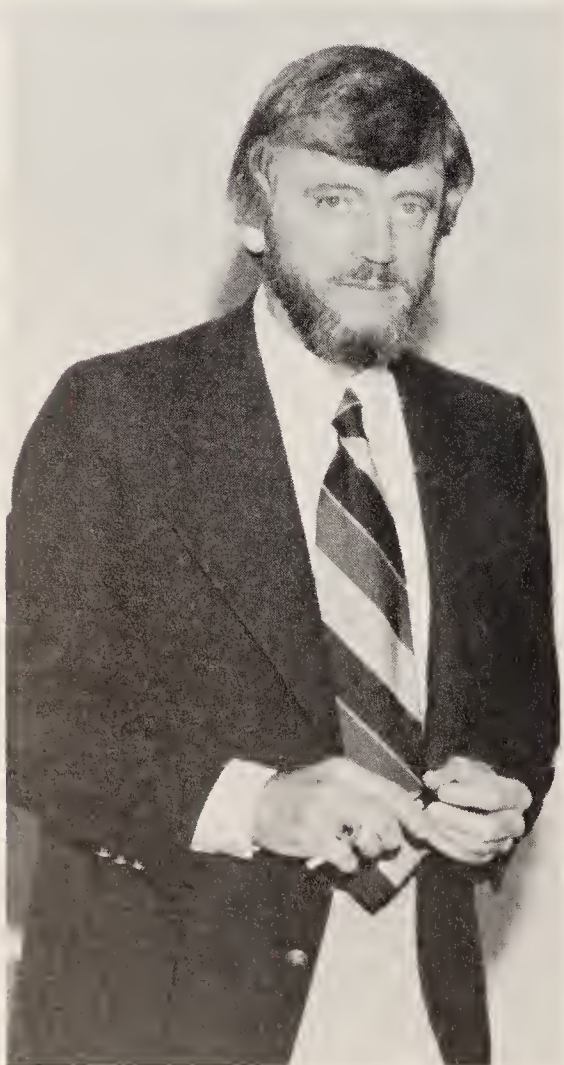

Creating an appreciation for the humanities for Weaver students is one of the goals the English department has established for the year. To this end, the department has provided opportunities for students to attend each of the season's productions at the Hartford Stage Company. In addition, the students attended a performance of the opera "Aida" and will have an opportunity to attend a Shakespearean production at the American Shakespeare Theater in Straford. In an effort to create an awareness of the classroom learning process, the television production of "The Marva Collins Story" was widely used in English classrooms. Finally, the department encourages students' participation in extracurricular activities such as the Literary, Debating, and Toastmaster Clubs.

Measure Aetna with your own ruler.

EQUAL OPPORTUNITY EMPLOYMENT

Aetna provides opportunities for career fulfillment and advancement without regard for race, color, sex, national origin, religion, age and physical or mental handicaps.

BENEFITS

To give medical protection and financial security to you and your family there are Group Insurance Plans, Sick Pay and Long-Term Disability, an Incentive Savings Plan, and Paid Vacations. And that's just where the Benefits begin . . .

SALARY

Aetna's initial aim is to pay you a salary that's competitive with salaries for similar jobs in other companies. From there it's up to you. The more outstanding your performance, the more outstanding your reward.

STAGGERED HOURS

You may be given the option of working other than the standard 8:00 a.m. to 4:10 p.m. schedule.

CAREER GROWTH

Aetna's primary business is the selling of group, life and casualty insurance. But we're more than *just* a group of insurance companies. Aetna is also one of the nation's largest diversified financial organizations. In our Hartford Home Office and in our Field Offices we employ better than 37,000 people. With an organization of Aetna's size and scope, your opportunities for advancement are impressive.

TUITION REIMBURSEMENT

After a year's employment, get your manager's approval and Aetna will reimburse you for job-related courses taken after company hours.

ICING ON THE CAKE

How many people go to work and find a bowling alley, squash and racquetball courts, a jogging track and shower facilities? What about spectacular vacations, skiing trips and theatre outings . . . at special group rates? Or an up-to-the-minute cafeteria where you can build your own ice cream sundaes? These and much more are part of the Aetna package.

WEAVER GRADS AT Aetna

We asked someone from our Personnel Department about the number of Aetna employees who are Weaver graduates. "No way," she said. There are too many Weaver people here to count. We've been recruiting from Weaver for years. And we take all the Weaver grads we can get. Because we've found they're responsible, hard-working and eager to take advantage of the many opportunities Aetna offers."

You have the raw potential. Aetna has continuing job opportunities. Visit our Recruiting Office at 900 Asylum Avenue, Hartford, CT 06156 or call 273-6177.

As the sun slowly sets in the West a solitary figure is silhouetted on the practice field horizon. At first he appears to be an oversized rodent but closer observation reveals that it is SUPER BEAVER. It's been a hard year for this fearless furry leader. He has met the forces of evil: apathy, lazyness, immaturity, and senioritis. But with steadfast effort he has overcome all. At last the members of the Class of '82 are indeed the SUPER SENIORS. As they leave to find jobs, further their education, and raise families, Super Beaver can rest knowing that they take with them their desire to promote peace, justice, and the Weaver way.

The End
